

Sam and the Fog

By Mr Vullo

I am Sam. I am a man. I
had a dog. The dog is
Pip.

Pip had a nap. Sam ran.
He ran into the den.

Look! A big fog. The fog
is dim. The fog is sad.

The fog hit a hut. The
hut is rot. The hut is bad.

Sam set a net. Sam did a dig. Pip ran and ran.

The fog did not stop.
The fog ran past the net.

Sam had a plan. He had a
mop. He had a pan.

Sam did a hop. Sam did a
rub. He ran into the fog.

Pip did a tap. The pan hit
the fog. The fog ran fast.

Sam and Pip had a hug.
The fog is gone. The den
is fun.
